As you will see these races take place on either side of the Raft Race. The Raft Race will take place at 6pm on the bridge. The usual social gathering and fun will take place on the green

The 5k Starts just outside the town on the Culdaff Road and finishes at the Phone Box in Malin Town. The Malin Mile starts in Malin Town and also finishes at the Phone Box.

We at INISH Pharmacy hope that both races will add considerably to the day for the community and the participants. We think it should add to the fun while raising money for the RNLI. Entry fees for both races will go to the RNLI.

ICRFM – We at INISH Pharmacy are also delighted to sponsor the attendance of ICRFM for these events. ICR will broadcast from Malin Town (the Green) on the day. They will deliver not only the results of the race but also chat to people there for the day and take requests.
